PDX Git Together

The monthly user group that doesn't lose your data!

- Github Pages
- Twitter Bootstrap
- Google Groups
- Calagator
- Twitter
- LinkedIn

Part of this checklist is an in-depth introduction to the infrastructure of <http://pdxgit.com>, which uses Github Pages and Twitter Bootstrap. The website is powered by a Github repository which updates the website every time a new commit is pushed.

This talk does not assume any prior knowledge of Git and will be focused more on how communities can effectively use tools such as Github or BitBucket to self-organize.

Other items on the checklist are how to find a venue for

Future

- X
- Y
- Z

History

- GSoC Mentor Summit Oct 2010
- Git Together Developer Conf Oct 2010
- GSoC Mentor Summit Oct 2011
- Git Together Developer Conf Oct 2011
- 26. Jan 2012 pdxgit.com
- 1. Feb 2012 1st Meeting
- 27. Aug 2012 2nd Meeting (@igalko)

Checklist

In addition, an easy to follow checklist will be presented for anybody that would like to start a Git community, i.e. spreading the DAG, to a town of their choice.

- PDX Git Together Developer Conference

How do I get involved with PDX Git Together?

- <http://pdxgit.com>
- <https://github.com/pdxgit>
- @pdxgit
- pdxgit@googlegroups.com
